H. Otoupalik had some suggestions: Create a membership card for all active members showing club info and active year. This idea has been discussed in the past but was dropped. We can discuss it again when we have a quorum at our next meeting. Secretary mails out a renewal invoice to all in-active members along with newsletter and club info. We can discuss this approach at next meeting and possibly include in membership package. Hayes reiterated the need for a Club Newsletter. We continue to search for someone to take over the good work Steve Mayville started - Any volunteers? We will continue to encourage someone to step up.

Thanks Hayes for the ideas - we'll continue to discuss these and others from our members.
